

MAPLE MANOR SWIM CLUB

Maple Manor Swim Club 2017 President's Letter

www.MapleManorSwimClub.org

With such a mild winter and warm temps, there is not much thawing needed and the flowers have already started to bloom. Soon we will welcome the summer and celebrate our 55th year at Maple Manor!

Before I dive into our summer season updates, I would like to give an update on some changes to our Board of Directors. Mike Cover, our long-reigning President, has decided to step down from his position and the board. Mike has dedicated countless hours and almost a decade of service on the board. Mike's personal expertise has helped to improve the club and its facilities in so many ways. Lisa Broome has decided to step down, as well. Lisa served as our Secretary and one of our Membership Committee members. She has devoted an amazing amount of time and work to take our membership records into the electronic age. That said, on behalf of the board, staff, and our members, I would like to thank both Mike and Lisa for their years of service to Maple Manor!

With Mike stepping down, I will be moving into the President position and Jenn Boyd will take over my former position as Vice President. We also have a few new board members this year. Katie McCarthy has taken over Lisa Broome's role as Secretary and her position on the Membership Committee. Joe Curcio will be working closely with Gavin McMorro to make sure our insurance coverage is cost-effective and the best possible to keep our club safe. Welcome Katie and Joe!

Our Board of Directors continue to volunteer their time year-round to ensure a safe, healthy, prosperous and fun club that our members expect and deserve. Last year, we made some improvements to the club that you may recall: major potholes in the parking lot were filled and repaved; our upstairs clubhouse received a small makeover with new mini-blinds, shelving units and an air hockey table; and we added new items to our snack bar.

Throughout the off-season the board has been working to prepare the club for another fantastic summer. This year, you will see a noticeable difference at the club, as we have had a lot of tree work performed in February. The tree work included: removal of a couple trees that were beyond saving, removal of all of the brush around the fence line, and trimming of tree limbs throughout the property that posed a safety concern. We already have ordered more lounge chairs and will also have new side tables for our members to use. As always, we will continue to improve selection, quality and pricing in our snack bar.

By now all of our returning members should have received an email from our Membership Committee with a login-in and password to our new membership registration system. This new system will allow you to pay your annual dues, register for swim team, check the online calendar for our upcoming activities and much more. You can access this new registration system from the membership tab on our club website. If you have not received the email, please contact membership@maplemanorswimclub.org to request the email be sent.

Our Club Manager, Brandon Pierce will be returning again this summer. Brandon and his assistant managers, Kelly O'Neal and Emily Nelson, look forward to another great season at the club and planning our favorite traditional summer events! The Welcome Back Party will kick off the summer in June and it will be followed-up by the 4th of July celebration, and Family Fun Day in July. Back by popular demand, Jen Rubin will be organizing the Adult Social, currently scheduled for mid-July. More information on this will be sent out later.

Bea Cubit and I will be returning as Swim Team Managers. We have been busy planning a fun season and we are pleased to announce that ALL of our swim and dive coaches will be returning this season. We are very excited to host 'A Champs' at the end of July, as this is an opportunity for us to show off our talented swimmers and our amazing club!

All Maple Manor members are welcome and encouraged to take **ACT**ion and join us in club cleanup and camaraderie. This year's ACT Days are scheduled for May 6th, 7th, 13th, 20th and 21st. Come for an hour or a whole day!

Please continue to visit our website (www.maplemanorswimclub.org) for all the latest info.

See you at the pool!

Suzanne Netter
President of Maple Manor Swim Club
